PSGEC Committee

Honorary Co-Chair

Chen Shen, Tsinghua University, China
 Huanhai Xin, Zhengjiang University, China

Conference Chairman

Guojie Li, Shanghai Jiao Tong University, China

Program Committee Chairs

Wei Gu, Southeast University, China
 Quanrui Hao, Shandong University, China
 Rui Li, Shanghai Jiaotong University, China
 Bo Zhao, Zhejiang Electric Power Research Institute, China
 Miao Zhu, Shanghai Jiao Tong University, China

Organizing Committee Chairs

Xiaoqing Bai, Guangxi University, China
 Ying Chen, Tsinghua University, China
 Sijie Chen, Shanghai Jiao Tong University, China
 Hazlie Mokhlis, University of Malaya, Malaysia
 Daogang Peng, Shanghai University of Electric Power, China
 Gehao Sheng, Shanghai Jiaotong University, China
 Zhifang Yang, Chongqing University, China
 Ming Zhou, North China Electric Power University, China

Publication Chair

Zhigang Li, South China University of Technology, China

Publicity Chairs

Hongjun Gao, Sichuan University, China
 Hongtao Wang, Shandong University, China
 Xing Zhang, China Electric Power Research Institute, China

Financial Chair

Keyou Wang, Shanghai Jiao Tong University, China

Special Session Chair

Sijie Chen, Shanghai Jiao Tong University, China

Local Committee

Hui Chen, Shanghai University of Electric Power, China
 Bei Han, Shanghai Jiao Tong University, China
 Shuli Wen, Shanghai Jiao Tong University, China
 Lyn Lee, Tongji University, China

Call for Paper-Topic

The topics of PSGEC 2023 are included below, but not limited:

- AI Applications in Power Systems
- Diagnostics & Condition Monitoring
- Distributed Generation
- Electrical Machines and Transformers
- Electricity Market and Power System Economics
- Energy Storage, Fuel Cell Technologies, and Trends
- Electrical Vehicles, Grid to Vehicle (G2V) and Vehicle to Grid (V2G)
- Energy Efficiency
- Energy Management
- High Voltage Systems
- HVDC and FACTS Devices
- Industrial Automation and Control
- Modelling and Simulation
- Modeling Cyber-physical Smart Grids and Demand Response Management
- Power Electronics and Drives
- Power Engineering Education
- Power Quality (PQ)
- Power System Operation and Planning
- Power System Reliability
- Power Systems Control & Protection
- Renewable Energy including Modelling, Operation, Control and Integration
- Safe and Resiliency through Community-Scale Micro-Grids
- Solar Power Systems, Energy and Water Management and Sustainability
- Smart Grid Development
- Sustainable Energy Technologies
- Transmission and Distribution
